Order Instituting Rulemaking to
Develop an Electricity Integrated
Resource Planning Framework and
to Coordinate and Refine Long-
Term Procurement Planning
Requirements.

Rulemaking 16-02-007

**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING
MOTION OF PACIFIC GAS AND ELECTRIC COMPANY FOR LATE-FILED
RESPONSE TO SONOMA CLEAN POWER MOTION, AND ALLOWING
SONOMA CLEAN POWER TO REPLY**

This ruling grants the July 13, 2018 motion of Pacific Gas and Electric Company (PG&E) to late-file a response to the June 28, 2018 motion of Sonoma Clean Power Authority (SCP). SCP's motion was to submit certain information under seal, related to the required August 1, 2018 filing of integrated resource plans.

Separately, on July 18, 2018, I informally granted permission to SCP to file a reply to PG&E's July 13, 2018 response to SCP's June 28, 2018 motion.

I will rule on the substance of the motion, response, and reply, as soon as possible following this procedural ruling.

This ruling supersedes an email ruling issued July 19, 2018 with the same content.

IT IS RULED that:

1. The July 13, 2018 motion of Pacific Gas and Electric Company to late-file a response to the June 28, 2018 motion of the Sonoma Clean Power Authority to submit information under seal is granted.
2. Sonoma Clean Power Authority is granted permission to file a reply to the late-filed response of Pacific Gas and Electric Company.
3. This ruling supersedes my July 19, 2018 email ruling on the same subject.

Dated July 26, 2018, at San Francisco, California.

/s/ JULIE A. FITCH

Julie A. Fitch
